

# DragonBird Theatre

## in nurseries and schools

DragonBird Theatre's sessions explore vivid worlds through gentle theatrical play and song with children. Our sessions are all about engaging with immersive stories through theatrical sets, props and characters. But above all, the sessions are a relaxed, fun and inclusive place for children to play, imagine and sing together.

We've been running sessions across the Bristol and the south west since 2012, working to instil a love for theatre, boost motor and language skills and support physical and emotional development.

Our sessions support the EYFS structure, encouraging children to participate physically and verbally, sing along, move and engage with immersive and vivid worlds.

**Length: 50 minutes**

**Capacity: Up to 35 children**

**Space required: Large room or small hall**

**“The sessions are beautifully held by the performers in a gentle and fun way, encouraging even the most hesitant children to play. They are extremely experienced and know exactly how to inspire and bring out the best in the children as well as the adults in the room! The sessions are expertly crafted and end in a dreamy lie down where everyone gets to close their eyes and take some deep belly breaths! We always look forward to inviting DragonBird into our school”**

# Some recent adventures...

## Deep Space

Join Professor Propeller Klunkers on an important intergalactic mission - they'll teach you how to build your very own rocket, fly deep into space zooming past all the planets and show you how to avoid being sucked into a super massive black hole featuring 1000 ping pong balls!

“One mum told me that her daughter hadn't stopped talking about it and normally doesn't share anything about her time at nursery”

**Teacher at Bishopston Beanstalks**

## Cook up a feast

Roll up your sleeves with Chef Gherkin at their busy restaurant. There's one hundred pizzas to assemble, a giant pot of spaghetti to handle and a round of Ye Olde Cheese Tossing game to revel in!

“DragonBird whizzed in bringing colourful props, costumes, scenery and the children were hooked! Our classes were taken on a magical adventure and had the most amazing time!”

**Jodie, lead teacher at The Limes Nursery**

## A Winter Wonderland

We're setting course for the wintry North in our bell-powered magical sleigh. Wrap up warm as a blizzard is heading our way! Let's build a giant candlelit igloo and hunker down with some festive songs.

“Thank you for enchanting and inspiring the children and leaving us with such happy memories and songs to sing!”

**Kate, lead teacher at Rosemary Nursery**
